Colometrics C1000 Expansion Cover

Barcode scanner, card reader, NFC or 4G module: with the practical expansion cover you expand the C1000 mPOS with a wide variety of peripheral devices, and also protect it against drops and impacts.

Options for the expansion cover:

1D/2D barcode scanner

Magnetic stripe reader

NFC reader/writer,
smart card reader
or 4G module

Back-up battery (6,800 mAh)

USB-A port

Please consider!

NFC reader/writer **or** 4G module **or** IC card reader,
all three or just two of these options are not available.

Optional: without back-up battery and **either**
IC card reader **or** NFC reader/writer
